Important Notes

1. Ensure you are a legal adult in your country/region or have prior consent and are supervised by a guardian to participate in this event.

2. Do not post content that violates platform rules or is unrelated to the event (including but not limited to ads or promotions). Any verified acts of cheating (such as using cheat software) will result in disqualification and may lead to a ban from future events.

3. If you win a reward in this event, we will collect and use your identity information and other related information needed for shipping (including game ID, name, email, phone number, valid ID information, postal code, and mailing address) to ensure timely delivery of your prize. We will cover any transaction fees for international shipping. However, you will be responsible for any applicable taxes (if any).

4. If you win a physical prize, provide your shipping info within 15 days of the prize announcement. Ensure the Strinova official accounts @Strinova_EN can contact you privately. Failure to do so will result in forfeiture of the prize. Submitted shipping info cannot be updated; please ensure accuracy and legality.

5. Physical prizes will be shipped within 30 days after the event ends. If stock issues, logistics problems, or other unavoidable circumstances prevent prize fulfillment, we will replace it with a prize of equal value. Thank you for understanding.

6. During prize delivery, if customs clearance is required, you need to contact your local customs office and declare the item. If the prize cannot be delivered due to

failure to clear customs, we are not responsible for reissuing the prize or any other obligations. If your item is damaged, please contact the shipping provider first.

7. For any questions, please contact our official account.

8. For any other matters not covered, please refer to official updates and announcements.
